

How to Support Reading at Home

Reading in Key Stage 2

To help your child to achieve their full potential, we would like your support in encouraging and engaging in their reading.

Reading at home is invaluable to a child's academic development!

If you have any questions about how to support your child with their reading, please speak to their class teacher.

Top Tips

to support your child when reading at home.

Before Reading

Try to make reading enjoyable, in a quiet and comfortable spot. If it is the first time your child has read the book, look at the cover/title/blurb together to predict what it might be about. Keep sessions short and relaxed.

When reading

When your child is reading, encourage them to track the words with their finger, pointer or ruler, if they need to. Help to decode (read) the words if needed. Give time and support to make corrections if they make mistakes.

Ask about the meaning of challenging words.

Take it in turns to read parts of the story.

Encourage them to read expressively with meaning.

Give lots of praise for the effort they are putting in.

After reading

Ask about the content of what's been read – who, what, where, when, why, how? Discuss the text– what did your child enjoy/ like/dislike/feel/think?

You could ask your child some VIPERS questions and discuss their responses.

As your child progresses through Key Stage 2, it is still very important for you to listen to and discuss their reading. It is equally as important for them to have a regular chance to listen to you reading too.

VIPERS

In school, we refer to the reading skills as VIPERS.
