

Tackling VAWG across Bedfordshire schools

Luton All Women's Centre (LAWC) has been commissioned by Bedfordshire Police's Safer Streets 5 initiative to raise awareness of violence against women & girls (VAWG) with young people and adults across Bedfordshire.

By providing educational programmes that focus on changing attitudes and behaviour towards VAWG, we will increase understanding of why it happens and how it affects us. We also aim to give children and adults the confidence to prevent it from happening and responding to it safely and effectively.

LAWC can support your school by providing:

- VAWG workshops for Y5/6
- VAWG workshops for Y7/8
- Staff training to build knowledge, understanding and confidence to tackle VAWG within schools
- Online VAWG 'Parenting 24' webinars
- Online 'Raising Boys' webinars to develop male allyship and help keep boys safe

There is no cost as all initiatives are fully funded by the Home Office in conjunction with Bedfordshire Police as part of Safer Streets 5.
