Putnoe Primary School

Spring term...

It has been a fantastic and busy Spring term here at Putnoe Primary School, we have enjoyed lots within the Library. A couple of highlights have been - World Book Day, National Storytelling Week, The Book Fayre, Book Buddies and Children's Mental Health Week.

Book Fayre

We welcomed in the Travelling Book Fayre during March; thank you to everyone who came along and had a look. We are able to buy new books for the library with the money raised - look out for these coming soon!

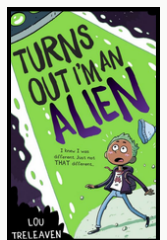

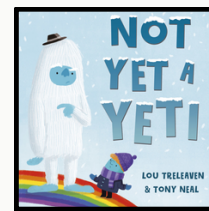

Book Buddies

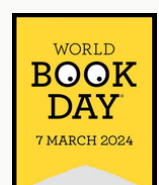

During this term, we introduced Book Buddies into the library - in this section, the children can find duplicate books and are encouraged to read with a friend. These have been very popular so far and a great way to enjoy reading together!

World Book Day 2024

In March, we celebrated World Book Day 2024. We invited author Lou Treleaven into school. Lou held sessions with each year group focusing on different books she has written. The children also participated in different virtual author events throughout the week - we all had a brilliant day and loved the effort made by everyone dressing up and getting involved - thank you!

During World Book Day, we also held competitions within the year groups around creating different artwork. We were so impressed by the creativity and imagination from the children, here are just a few of the fantastic entries!

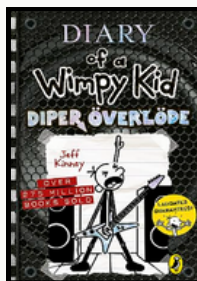

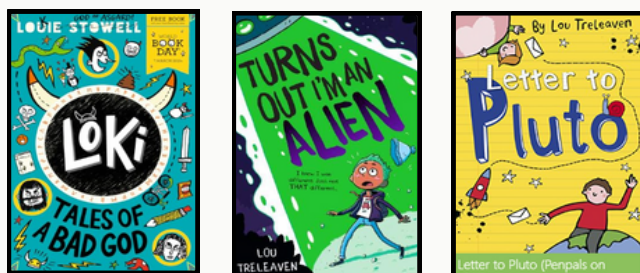

During Children's Mental Health Week we had the theme of 'My Voice Matters'. We read 'Ruby's Worry' by Tom Percival during library sessions.

New books in the library.

Many new books have been added into the library this term; here are some of them below!

Virtual author event with

Sheena Dempsey.

In February, Year 3 and 4 children participated in a virtual author event 'Learning about Comic Strips' with Sheena Dempsey - the children had a very enjoyable afternoon and we were so impressed by the drawings from Kandinsky class - here are some of the fantastic artwork produced below.
