

Take back control of your energy bills

**Are you worried about energy prices?
Groundwork East's Green Doctor service is here to help you save energy and tackle your bills.**

Register for a free consultation for help with saving energy, installing energy efficiency measures, and accessing financial support.

Who is eligible?

Our free impartial advice is available to a wide range of people in your area. Many people are struggling for the first time this year, don't be shy about reaching out for help.

Green Doctor is provided by
Groundwork East, the community charity.
Charity Registration No. 293141

In the UK, changes to energy prices and ongoing financial hardship have left many struggling. If you are worried about your bills, you're not alone, and we might be able to help.

We may be able to support you if you meet any of the following criteria:

- + Over the age of 65
- + Families living with children aged 5 and under
- + Feeling that your home is cold, damp or draughty
- + Respiratory problems e.g. asthma or persistent cough
- + Energy bills that feel too high
- + Owing money to energy suppliers
- + Feeling confused by energy bills
- + Choosing between eating and heating

We might be able to install simple energy saving measures or provide devices such as slow cookers. We can also help you apply for fuel vouchers and other financial support.

Scan here to check if you're eligible.
