

# PUTNOE PRIMARY SCHOOL

## Library News - Spring Term 2025

Putnoe Primary School

### Spring term...

It has been a brilliant and busy Spring term here at Putnoe Primary School and we have enjoyed lots within the Library. A couple of highlights have been

- World Book Day, National Storytelling Week, The Book Fayre, Virtual Author Event with Elle McNicoll and lots of 'Book of the Week' recommendations.

### World Book Day 2025

In March, we celebrated World Book Day. Our theme this year was Superheroes/Superpowers.

During the day, we welcomed friend of the school Phil Boyd who read us 'Supertato'.

The children loved Phil's expression and telling of the story.

Later on, the children participated in virtual author events and finished the day with a whole school competition.

KS1 were asked to design a superhero cape or design a superhero mask while KS2 were asked to design a superhero with a superpower or if 'I had a superhero power, it would be...'

Thank you so much for your wonderful effort and enthusiasm throughout the day; it was fantastic to see such a lovely atmosphere throughout the school.

### New books in the library

### Book Fayre

We welcomed in the Scholastic Book Fayre during March; thank you to everyone who came along and had a look. We are able to buy new books for the library with the money raised - look out for these coming soon!

## Book of the Week

We have had fantastic choices this term for 'Book of the Week'.

Below are some of the choices the children put forward in assembly.

The children spoke very confidently in assembly about why they enjoyed the books and themes within the books.

If you would like to recommend a 'Book of the Week', please speak to Miss Pedley.

(Short Chapter  
Books)

## Year 5 Virtual Author Event with

 Elle McNicoll 

In January, Year 5 participated in a virtual author event with author Elle McNicoll.

Each child received a copy of Elle's book 'Like a Charm' and the event was discussing Elle's different books and the inspirations behind being an author.

## National Storytelling Week

In February, we celebrated National Storytelling Week. This is a joyful celebration of the power of sharing stories. Stories teach us about the world; they allow us to step into someone else's shoes and feel empathy.

For this, we asked the children to find 'fairy doors' around the library and school, imagining what might be behind the door. The children were encouraged to draw their ideas and write descriptions of the world behind the fairy doors.
