All the above will need to be booked on Eventbrite and you can book 4 weeks before the date of the workshop.

Remember, these are all one-off 2-hour workshops held in person within the school day, so you can drop your child/ren to class then come directly to the Hepworth Building where you can help yourself to a cup of tea or coffee, ready for the workshop to commence at 9.30am.

We are also able to offer a 6-week programme within the Hepworth Building called Fearless. This is a 6-week course for Parents or Carers of children aged 6-18 who have low to medium levels of Anxiety. Booking will again be available via Eventbrite 4 weeks before the course commences.

If you have any questions or may be having difficulty getting online to book a place, then please do contact Gail Hall. Places are limited so it is important you enrol as soon as the event opens on-line.
