# Accommodation

- There are options of multi-bedded dorms (4 – 12 beds) for students, with most offering en-suite facilities; children will be in dormitories with friends and year group peers
- Teacher rooms are a mixture of twins and singles, mostly with en-suite facilities within the same building as the children
- Senior Staff Members are on duty until 10:30pm each day with Night Staff patrolling between the hours of 10:30pm and 07:30am
- Centre doors are secured in the evening, but can be opened in case of emergency and security barriers guard the entrance to the site

- 7.30pm: Evening begins
- 9.00pm: Get ready for bed
- 9.30pm: Quiet time in rooms
- 10.00 pm: Lights out. Time to sleep!

# Our Trip

- We will depart at around 9.00am on Monday 22<sup>nd</sup> June; please bring the children to the school hall from 8.30am via the side doors to 'check in' with one of our staff
- Children will need to be in their own clothes ready for their first activity which will take place on Monday afternoon
- Joining us on the trip will be Mr Petch (Mon-Wed), Miss Durrheim (Wed-Fri), Miss Wharton and Miss Southam

# Our Trip

- En-route to Condover Hall, we will stop for lunch so please ensure they bring something to eat and drink in a plastic bag that we can dispose of; this should be something healthy!
- Parents will be notified via text of our safe arrival which should be between 12.00pm-1.00pm; we will also use the text service to inform you of our arrival time on Friday 26<sup>th</sup> June (aim is for around 4.00pm)
- Should you need to contact the school during the visit, in the first instance, please phone the school office; outside of school hours, staff can be contacted on the school's mobile number: 07704 298680

# Packing

- A sample kit list was sent home just before half term – please use this as a guide when packing
- Children should bring this list with them so they know what they must remember to bring home with them
- Please ensure your child is part of the packing process at home so they know what they have brought

# Packing

- Where possible, please name as many items of clothing as you can (all if possible); the suitcase must also be clearly labelled with your child's name and school
- The kit list includes hat, sunglasses and sun cream – it is very important that children bring these; due to some children having allergies, sun cream should not be shared between children
- Children will be required to carry their own luggage so please don't make these too heavy!

# Packing

- Children must not bring any electrical appliances, including mobile phones, nor anything that is expensive or has sentimental value; sweets and other snacks are also prohibited!
- Each member of staff will have a camera with them to take photos of the activities children are doing so these will also not be required – these will be shared with parents on our return
- There is a gift shop on site that we will have a timetabled slot to use; should you wish your child to have spending money with them, please ensure it is in a named wallet or purse and no more than £15 – these monies will be collected during the 'check in' process

# Medical Information

- On Thursday 18<sup>th</sup> June and Friday 19<sup>th</sup> June, you will need to bring into school any medicines you will require your child to take
- This should be in a box that is labelled with your child's name and how frequently they require their medication; this information should also be included on the school's medical form
- Miss Southam will be at the school office to collect this
- Children who have an inhaler or epi-pen will be required to carry these at all times; two should be brought into school – one for themselves and one for the group leader (under no circumstances will children carry any other medication)

# Medical Information

- A medical form must be completed and given to the school for each medicine that is required; this includes anything that is taken to help with hay fever
- This letter will be sent home tomorrow and must be signed and returned by all parents so we have permission to administer emergency paracetamol and take your child to hospital if required. Children do not need to bring their own Calpol (or equivalent) – this will be supplied by the school
- If you would prefer to speak to a member of staff privately, please do so after today's meeting; alternatively, you can email me on [residential@putnoeprimaryschool.co.uk](mailto:residential@putnoeprimaryschool.co.uk)

# Contact Details

- Staff will contact parents in an emergency situation only
- It is important that we have up-to-date phone numbers; please ensure you have checked this with the office before our trip commences!

# Finally...

- Any questions?
